EDUCATION

Babson College Wellesley, MA
Bachelor of Science in Engineering in Mechanical Engineering and Aerospace Engineering *Expected May 2027*
GPA: 3.13/4.0

EXPERIENCE

Systems Engineering Intern Jun 2026 – Aug 2026
Honeywell *Phoenix, AZ*
- Built a LabVIEW test rig that halved fixture setup time
- Drafted 25 AutoCAD drawings for a parking structure retrofit
- Ran ANSYS stress simulations on 9 load cases and documented results

Structural Engineering Intern Jun 2025 – Aug 2025
GE Aerospace *Cincinnati, OH*
- Redesigned a bracket in SolidWorks that cut part weight 18%
- Led root-cause analysis on a weld defect and reduced scrap by 12%
- Drafted 25 AutoCAD drawings for a parking structure retrofit

Manufacturing Engineering Co-op Jan 2025 – Jun 2025
Boeing *Seattle, WA*
- Drafted 25 AutoCAD drawings for a parking structure retrofit
- Built a LabVIEW test rig that halved fixture setup time
- Ran ANSYS stress simulations on 9 load cases and documented results

Undergraduate Research Assistant Sep 2025 – Present
Babson College Department of Psychology *Wellesley, MA*
- Cleaned and merged 3 survey datasets with 10,000 rows in Stata
- Summarized 25 papers for a literature review

Teaching Assistant Jan 2026 – Present
Babson College Department of Mathematics *Wellesley, MA*
- Held weekly office hours for 60 students in Calculus I

Operations Assistant Jun 2022 – Aug 2024
Eastwick Hardware *Wellesley, MA*
- Helped run the family business; reorganized inventory of 2,000 SKUs

Quality Engineering Intern June 2024 – August 2024
3M *St. Paul, MN*
- Led root-cause analysis on a weld defect and reduced scrap by 12%
- Redesigned a bracket in SolidWorks that cut part weight 18%
- Built a LabVIEW test rig that halved fixture setup time

Manufacturing Engineering Co-op Jun 2023 – Aug 2023
Caterpillar *Peoria, IL*
- Ran ANSYS stress simulations on 9 load cases and documented results
- Led root-cause analysis on a weld defect and reduced scrap by 12%
- Built a LabVIEW test rig that halved fixture setup time

Systems Engineering Intern Jun 2022 – Aug 2022
General Motors *Warren, MI*
- Redesigned a bracket in SolidWorks that cut part weight 18%
- Ran ANSYS stress simulations on 9 load cases and documented results
- Built a LabVIEW test rig that halved fixture setup time
- Led root-cause analysis on a weld defect and reduced scrap by 12%

Electrical Engineering Intern Jun 2022 – Aug 2022

Honeywell *Phoenix, AZ*

- Redesigned a bracket in SolidWorks that cut part weight 18%
- Ran ANSYS stress simulations on 9 load cases and documented results
- Built a LabVIEW test rig that halved fixture setup time
- Led root-cause analysis on a weld defect and reduced scrap by 12%

Manufacturing Engineering Co-op Jun 2022 – Aug 2022

Siemens *Charlotte, NC*

- Redesigned a bracket in SolidWorks that cut part weight 18%
- Ran ANSYS stress simulations on 9 load cases and documented results
- Built a LabVIEW test rig that halved fixture setup time
- Led root-cause analysis on a weld defect and reduced scrap by 12%

LEADERSHIP EXPERIENCE

Secretary-General September 2024 – Present

Babson College Model United Nations

- Recruited 25 new members and ran 10 weekly meetings

Member Sep 2024 – Present

Babson College Society of Women Engineers

- Attended weekly workshops on industry topics

Vice President Sep 2024 – Present

Babson College Consulting Club

- Recruited 25 new members and ran 10 weekly meetings

SKILLS

Technical Skills: Arduino, LabVIEW, ANSYS, MATLAB
Soft Skills: Leadership, Teamwork
Certifications: Six Sigma Green Belt, OSHA 10, Certified SolidWorks Associate (CSWA)
Interests: Volunteering, Rock climbing, Cooking
